

OCALA PASO FINO HORSE ASSOCIATION - LAST CHANCE SHOW

All stall reservations must be paid in advance with a credit card or a check. Request will be placed in the order (date and time) that full payment is received. Pre-entry fees are based on the date that your fully completed and signed entry is received, not the date you reserve stalls. Stall cancellation after July 28, 2021 will be charged an \$80.00 fee. All class entry fees will be refunded with a veterinary certificate.

NOTE: If you wish to be stalled with a Trainer or a Group, everyone should list the SAME NAME for the Stable With. Do not cross-reference people within your Group. Decide on one name and everyone in the group should list the same name – So you would all list your Group as the JANE SMITH GROUP. If you are with a Trainer, list the name of the Farm as well as the Trainer's name.

3 Bags shavings included with horse stalls (no bags included with any Tack Stalls)

Specify type of Tack Stall- Horse Stall used as tack (no nails or screws) OR Official Tack w/dbl. doors/auto lights/walls meant for saddle and bridle racks
